Advocacy

Founded in 1984, EqualityMaine protects and advances full equality for all lesbian, gay, bisexual, transgender, and queer Mainers. We do this by advocating for laws and policies that protect and uplift our community at the local, state, and federal levels. We are part of many regional and national coalitions and are actively involved during legislative sessions.

Programs

In addition to numerous community-wide events each year, we provide a variety of regular programs for specific LGBTQ+ groups. **The New Leaders Project** supports and empowers LGBTQ+ youth, and the **Network for Older Adults** provides support and spaces of connection with older members of the LGBTQ+ community.

Education

We regularly consult with and provide trainings for businesses, organizations, and schools about working with and supporting members of the LGBTQ+ community. These trainings are often focused on public policy, industry regulations, and creating a culture of inclusivity.
